Acheck - Diagnostic Program for Web Accessibility

Computer-aided diagnostic program & Report

The screenshots illustrate the Acheck diagnostic process and reporting. The main interface provides information on how to use the tool, including a note that it can check up to 10 pages for free. The diagnostic report for 'www.nhan.com' shows a 70% overall compliance score. A table lists various issues such as '대체 텍스트 제공' (Provide alternative text) and '초점 이동' (Focus movement). A detailed list of failed items includes error codes like '1. <div class=...
